# Kumamoto – Mansfield Lecture Series Special Collaborative Seminar

Kumamoto University, in partnership with the Maureen and Mike Mansfield Foundation (USA), will host a special seminar in May as part of its collaborative lecture series.

A current U.S. government official participating in the Mansfield Fellowship Program will deliver a lecture on international affairs and policy issues from a practitioner’s perspective.

Don’t miss this opportunity to gain firsthand insights into global affairs. Open to students, faculty, staff, and the local community members. We look forward to your participation.

Place | Common Meeting Room, 2nd Floor  
Faculty of Letters/Law Main Bldg.

Time | Second period (10:30-12:00)

Language:  
Mainly in English

Format:  
Hybrid (Onsite and Online)

GUEST SPEAKER

**Elizabeth Baer**

A current official from the Defense Security Cooperation Agency, U.S. Department of Defense, and a member of the 29th Mansfield Fellowship Program, currently in Japan.  
“I look forward to meeting and engaging with you before returning to the United States at the end of June.”
